

Dangers in the home

999 Ted has recently moved house and needs your help to identify the possible dangers in the home:

Bedroom

Stairs/Hallway

Bathroom

Kitchen

Lounge

Dangers in the home

In the hall

- Shoes left lying around
- Loose rugs
- Animals
- Trailing cables

In the kitchen

- Plug sockets loose/not working
- Pots and pans
- Boiled kettles
- Animal beds
- Cooker/hobs
- Knives

In the bathroom

- Hot water (from tap)
- Hair products
- Bath (if left unattended with water)

In the bedroom

- Hair straighteners left on
- Lights left on
- Plug sockets loose
- Rugs
- Perfumes

On the staircase

- Toys
- Cats that are asleep
- Carpet edges loose (catch foot)
- Stair gates

On the balcony

- Uneven floor
- Railings not secured
- Outdoor furniture
- Moss/wet weather/ice

In the garden

- Garden tools (lying about)
- Bikes
- Bees and other insects (that sting)
- Loose fence (needs propping up)

In the lounge

- Iron left on unattended
- Cables from electrical stuff (TVs, stereos)
- Glass cabinets
- Loose rugs/carpets
